Resume Summary

Frontend Developer with 2 years of experience using React and React Native to build responsive, user-friendly web and mobile applications. Solid foundation in UI/UX principles, looking to build high-quality frontend solutions and enhance user experiences.

Work Experience

Frontend Developer • 10/2024 – Present • Seadragon Technology LLC

- Contributed to a multi-platform CRM system (React Native/Expo mobile app + Next.js web interface), working across both teams to keep data and UX consistent.
- Built client websites for aesthetic clinic and feng shui/horoscope niches alongside the core CRM work.

Frontend Developer Intern • 05/2024 – 09/2024 • Seadragon Technology LLC

- Built small landing pages while learning real-world development workflows and component-based architecture.
 - Strengthened core skills in TypeScript and Next.js, assisting with UI/UX-driven interface features.
-

Resume Skills

- React.js • React Native • Next.js • TypeScript • JavaScript • HTML & CSS • Tailwind CSS / NativeWind • Responsive & Mobile-First Design • Git • REST API & Firebase • UX/UI Basics
-
